### DID YOU KNOW?

This is the season when cruising to Dana Point, Cat Harbor and other locations may require you to raft up next to another boat. If properly done you can avoid issues like being kept up all night from sudden jerking as the boats get tugged by swells and wind, or drifting due to loss of one or more anchors, and possibly fracturing your fiberglass hull when tied to a larger yacht. So study the following self explanatory pictures, and sleep at night. See page 4.

## Commodore's Message

Another month has passed and although it seems like progress is slow, a lot of great things are happening in our Club. If you haven't noticed, we now have a water heater in the Kitchen that produces instant hot water. (Thank you Terry Swney).

We are now looking at installing new flooring throughout the Club and are still trying to figure out better seating.

At the last Board meeting, it was suggested that we buy new bar stools and have them paid for by club member donations. We have already had five members who are willing to make this donation. Donation plaques will be installed on the stools with the donating members' names on it. If you would like to purchase a stool, please give me a call.

Take a look at our clothing closet. Wanda has gotten some great new fun items such as great sunglasses, pins etc. and has also purchased larger shirts for you big guys.

Speaking of fun things, Dick Perkins, our fishing chairman, has put together a great fishing tournament for June 15<sup>th</sup> with a fish fry for Sunday the 16<sup>th</sup>. Not only will the fish be great, but there will also be a raffle of many super items. Even if you don't fish, be sure and attend the fish fry on Sunday. I know it's Father's Day, but what better way to spend your day! Bring the family and make it a day to remember!

Moving on with fun items, Our Fleet Captain, Carolyn, is again outdoing herself with some great boating trips. The Dana Point Cruise is expected to be outstanding. Also, I understand she has booked Cabrillo Beach Marine for the Fourth of July cruise. These both are events that even members without boats can attend.

Like I said, great things are happening in Our Club, but they can only be successful if Our Membership participates. So plan to attend!

A special thanks to Tom Gleason and Jeannie Connell for one of the best Randy Lowe Charity events ever. The event netted \$6,000. As far as I know, this is the most money ever generated for this event. Also a special thanks to Joe Connell for the Mustang he provide for the tournament.

Now on a more serious note, one that will make many members very happy and upset others. The Board has decided that it is time to make Our Club a non-smoking Club. The reasons cited are: Refusal of members to come into the Club, health issues and not wanting to bring children into a smoke filled room. Smokers will still be able to smoke on the patio. This item will be on our next board meeting's agenda and will be voted on at that time. Members are welcome and encouraged to attend this meeting so they can express their views. The meeting is on June 13<sup>th</sup> at 7:00 P.M.. Again, this is your club and opinions are important.

# Fleet Captain's Message

I'm very happy to report that our fleet cruise to Cabrillo Way Marina was a wonderful success. A nice turnout of 11 boats made for a fun week-end. There are many interesting and enjoyable activities available within walking distance of the marina, and some of our club members drove to Cabrillo for dinner at Landing 22 which made for a fun evening on Saturday. A really BIG THANKS go to Joe and Jeanne Connell for the planning of this great weekend, and for the wonderful breakfast on the dock.

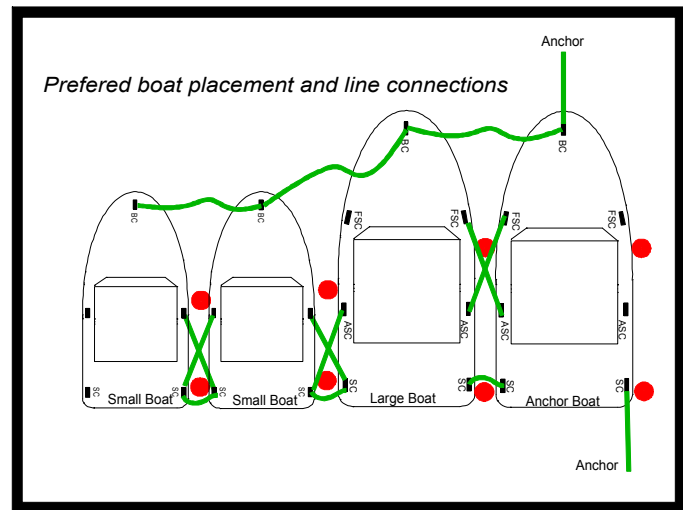

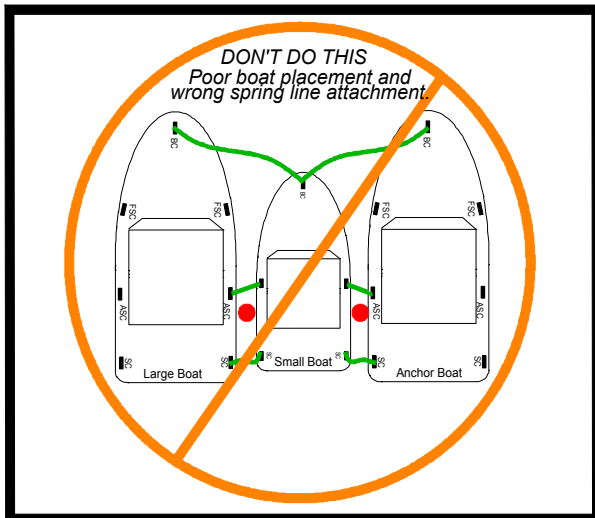

Our next fleet outing is scheduled for Memorial Day weekend, May24-27. The flier has been E-Mailed to our membership and is also posted at C.B.Y.C.. We will be cruising to Dana Point where we then "raft-up" at the West end of the marina. There will be a welcoming party at the Dana Point Yacht Club on Friday at 5:00 P.M.. After a fun day on the water on Saturday, at 5:00 we plan cocktails and dinner at the Dana West Yacht Club. Lots more fun and/or relaxation on Sunday where we will join Shoreline Yacht Club for fun and games. Be sure to bring your C.B.Y.C. Membership I.D. card for entrance into the Dana Point Yacht Clubs. To reserve your spot, call Carolyn on 760 949-1657 or 760 403-7843 NOW.

We all enjoyed Cabrillo Beach so much that it was decided that we go there on the 4<sup>th</sup> of July. A large fireworks display is planned for the Cabrillo Beach area on the 4<sup>th</sup>, and will be visible from the marina where we will be docked. With the helpfulness of the friendly staff of the Cabrillo Way Marina, and all the things available to do in the area, it should prove to be a great way to spend the 4<sup>th</sup> of July. Come one-Come all. Give me a call.

See you there,

Carolyn Lampignano

## FOR SALE/SERVICES:

Do you have something someone else wants?

How about a dinghy with an extra hole in it.

How about a big inverter that sends smoke signals.

How about a service like yacht painting or an organization that accepts charitable donations?

Send me a file and I'll post it in the newsletter. Who knows you might get lucky.

## Safe Sex Quotes:

"You know "that look" women get when they want sex? Me neither." – Steve Martin

"Bisexuality immediately doubles your chances for a Saturday night date." – Rodney Dangerfield

"According to a new survey, women say they feel more comfortable undressing in front of men than women. They say that women are too judgmental, where, of course, men are just grateful."

– Robert De Niro
