DID YOU KNOW?

In the beginning there was Adam and Eve, God and a sneaky snake. Adam and Eve were not allowed to eat the fruit from a certain tree. But they had all their other rights. After Cain killed Abel came the ten commandments. Your right to kill, lie and cheat were taken away. But governments kept these rights. As the population grew and governments became more powerful than God, they took more rights away from us such as 1) you can't even kid around and say "Fire" out loud in a crowded theater anymore, 2) nor can you carry your favorite hair shampoo with you on an airplane, 3) nor smoke in enclosed public places, 4) nor pee in a public swimming pool. I just don't understand that last one. People used it as a mouth wash at one time because it made their teeth pearly white. Sorry I digress. Join me to demand we get all our rights back NOW! On second thought, maybe the pool should be pee-less.

Commodore's Message

Well we are getting close to the end of summer. We have had a very active year with many fun trips and activities. However the fun hasn't stopped yet. I have changed it up a little with the Commodores Cruise this year. We are taking a land cruise to Laughlin, Nevada and instead of taking our boats, we are taking a bus. We leave Friday afternoon October 4th (time undecided as yet), stay at the Edgewater Hotel/Casino and come back on Sunday October 6th. The bus trip will cost \$60.00 per person, however it includes water, beer and wine for the entire trip! (Yes the bus does have a restroom). The room rates are \$48.00 per night and includes one breakfast or lunch per person. I have made reservations for 50 people, so it's first come first serve, get your reservations and money in a.s.a.p.. This trip should be a lot of fun!!!!

Membership is still on the rise! We are swearing in new members at the next board meeting and are going to submit new applications for membership. What is making this even more exciting is the fact that these new members have some great ideas for activities that will bring new life to Our Club.

Speaking of new life to the Club, a special thanks goes out to Lenny for putting together the dinner that got over 70 people into the Club for what I understand was a great night. Good job Lenny!

Again, please make an effort to participate in as many Club activities as you can. You truly are the Club.

Happy boating to you all.

Mike Lampignano

Fleet Captain's Message

I first would like to say “thank you so much” to John Seidensticker for stepping in to become chairman of the Cat Harbor cruise this year. I understand that a small, but mighty, group from our club had a great time and brought home the trophy!!! Yes, Alan Singer has done it again with “Puff The Magic Dragon” with Tony Toth in second place in the dinghy parade. GOOD JOB!

The next fleet activity will be the Avalon cruise on Oct. 11,12,&13. Last chance this season for a club cruise to Catalina. There will be a flier and sign-up sheet at the club. Let’s all show up for a great time.

The last Fleet activity of the year will be to Pine Avenue on Nov. 15-17. Save the date.

Last, but not least, I want to say how pleased and happy I am to see new membership coming into our club. New faces & new ideas will help our club continue on and prosper. I hope our “seasoned members” will fill the positions on the Bridge and Board and then welcome our new members to become committee members. In this way the new members can learn more about our club policies so that, after their first year as members , they can become more involved and feel comfortable to fill a position themselves. Welcome new members!

Hope to see you at the Membership Appreciation Dinner on Sept. 28. It sounds like fun.

Your Fleet Captain,

Carolyn
