DID YOU KNOW?

Terry Swney and company recently completed our bathroom upgrades at a substantial cost to marina owners. It is requested that all patrons please be respectful of the investment made and to other users. Please treat them as you would your own. Check out these pictures. Thank you.

Commodore's Message

Again our month has been full of activities! The Ship Wreck Event was very well done and challenging. Prizes were given out to participants, and the food was great.

If you missed the Whites Landing Cruise, you missed the great one. The weather was great, the water was like glass, going and coming back, the golf was fun and the entertainment was out of this world. Vivian from I dock and her partner Justin performed for us, and everyone said it was some of the best entertainment we have ever had. Vivian and her husband Mike has told me they plan to join our club, so we should see a lot more of her and Justin.

A super special thanks goes out to Eugene and his staff. They made sure that our stay there was something special. Again, THANK YOU EUGENE, YOU ARE A SPECIAL PERSON!!!!!!

The Boat Skills and Seamanship Class that was provided by the Coast Guard Auxiliary in our club has been completed as of August 12th. For you who have not attended this class as yet, I truly recommend that you take it the next time around. You will gain information that can save your life and the lives of your family. The Instructor is Doug Conwell, a retired Navy Commander with years of experience. I attended the class and truly enjoyed it. It's amazing how much you don't know. The next class will be Navigation which starts on September 4th at 7 p.m. in Our C.B.Y.C club. It will be every Wednesday for nine weeks and will cost \$45.00 for the entire class. Please attend if you can.

Membership is on the rise! The Board of Directors will be voting on three potential members at the next board meeting on August 15th. I also know of six more applicants that are filling out their membership apps right now. Things are looking good for the future of Our Club as most of the applicants are younger people who I know will get involved.

Again, please make an effort to participate in as many Club activities as you can. You truly are the Club.

Happy boating to you all.

Mike Lampignano

Fleet Captain's Message

Well, the Cat Harbor Labor Day Cruise (Aug. 30-Sept. 2) is rapidly approaching and with the dinghy parade theme being “50 Years of Music” it sounds like it will be a lot of fun. Come out and decorate your dinghy – we need to bring the trophy home!! There is a sign-up sheet on the club bulletin board. As things stand now, Mike and I will not be able to participate this time, but if there are any questions about this trip, please don't hesitate to call me.

Marie Thompson of HHYC is handling the Cat Harbor Cruise and could use some help on the Saturday breakfast. If you would like to lend a hand, please call her on 562 760-4707.

There are not enough “Thank you's” for all the planning and implementation of details that Lorie Goetsch did on the Amazing Shipwreck Party!! Everyone had a lot of laughs and fun. A BIG “thank you” goes to the Goetsch Family for donating 4 outrageously good seats to Angels Stadium for the first place winner. Gray and Wanda, you are “wandaful” and thank you for bringing us the best “grub” ever after a day of adventure on the water. What a good time we all had.

If you missed the Whites Landing trip (Aug. 9-11), I feel sorry for you. A total of 12 boats from CBYC met and shared the perfect weekend trip. There was great weather, smooth water, delicious food, enough booze to last a very long time, good friends and families, and the fabulous music of “Vivien & Justin” for dancing and listening under the clear night skies. It was wonderful and I hope everyone enjoyed themselves as much as I did.

Lets all come out and enjoy our club and the beautiful weather while it's here.

Your Fleet Captain,

Carolyn L.
