DID YOU KNOW?

Why is a vessel's toilet called a Head?

The use of the term “head” referring to the vessel's toilet, dates back to at least as early as 1708, when Woodes Rogers used the word in his book, “A Cruising Voyage Around the World”. Another early usage is in Tobias Smollett's novel of travel and adventure, “Roderick Random”, published in 1748. The “Head” in a nautical sense refers to the bow or fore part of a vessel, dating back to 1485. The ship's toilet was typically placed at the head of the ship near the base of the bowsprit, where splashing water served to naturally clean the toilet area.

Commodore's Message

We have had a very active month. The trip to the Isthmus was great with fun and a lot of activity. The Cabrillo Cruise with 18 boats, and a lot of people, was a true example of what a great Club we have and how great Club Members are. It's hard to believe that the boating season has just begun, and we have a summer of great activities still ahead of us.

Well like they say, change is inevitable, and we have just made a landmark change in our Club. As you know The Board of Directors went out to the Membership with ballots on the smoking issue within the Club. At the July 11th Board meeting the votes were counted and it was passed. Smoking will no longer be allowed within the Club. It is hoped that this move will bring in more new members and will stimulate more use of the Club by non-smoking Members. Smoking however will still be allowed on the patio and I plan to look into providing a comfortable environment for our smoking Members. Any ideas along these lines would be greatly appreciated.

Another change that we are looking into is a Junior Boating Program. We have an individual that is willing to take on this project. If we can get this program together, it will be important that we get our kids and grandkids involved. Learning about boating at a young age provides kids with a positive outlet, and gives them a direction in their formative years. It also brings families together with a common interest. So let's all get behind this program. Our Clubs future is dependent on our youth.

Speaking of change, Julie Boyes is working on an information flyer that can be distributed to non-members, giving them an idea of what our club is all about and showing them the benefits of joining. Hopefully this will increase our membership.

As you can see, the Bridge and Board Members are working hard for you so we can have a club we are proud of. However, it takes all of us to do our part. Please make an effort to participate in as many Club activities as you can. You are the Club.

Happy boating to you all,

Mike Lampignano
Commodore

Fleet Captain's Message

Arrrrrrrr Mate!!!! Our next adventure will soon be here!! So put on your favorite pirate clothes and come on down to CBYC on July 27 to get ready for fun at the “Amazing Race and Shipwreck Party”. 1:00 starts fun on the water. 4:00 Grog & Grub, raffles & music are all part of the fun. There is a sign-up sheet at the club. There is only room for 12 teams so sign up now! Surrender the Bootie!!!!

Since our last newsletter, we've enjoyed a great day on the water fishing for the Fathers Day fish fry which was sooo good and lots of fun. Thank you Dick & Cathy Perkins for a great job on the fishing tournament.

On June 21 part of the group left via personal boats and some took the Catalina Express to meet at the Isthmus. We were fully equipped with wagon, camping gear, sand castle making goodies, etc, etc, etc. . Lori & Kathy Goetsch took the Express to surprise us all . Their castle making paid off as they came in first place!! Kathy got honorable mention for her “cool” CBYC burgee. Guests of Tom & Julie won second place for their “sand seal” and Mike and Carolyn got honorable mention for their Fiat cars. Tom & Ted made boats, while Jan and Jeanne strung flowers on a lei only to turn around and sell them the minute they were complete. Lori made an anklet to die for!! The weather couldn't have been any nicer.

Then came the 4th of July at Cabrillo Way Marina. A total of 18 boats spent all, or part, of the long weekend. Beautiful fireworks, good food, good company, great time aaand Roger Farmer , Kathy Farley, John Seidensticker, and Dona Hackworth took home some extra cash. Thank you, Jan, for stuffing the poker hand envelopes and sales.

The cruise to Whites Landing, Aug 9-11, is coming up quickly. There will be a new musical group for your enjoyment on Saturday eve and hopefully during other times on the weekend. This is always a great cruise, and weekend , so watch for the sign-up sheet at the club. To reserve a tent call 310 510-2402.

Without all of you and all that you put into enjoying these events, it just wouldn't happen. Thanks to all of you who help me accomplish my Fleet duties. You are greatly appreciated!

Don't let summer slip away – Come out and enjoy the good times.

See you at the club,

Carolyn Lampignano

Secretary's Message

Prospective New Members

The Board of Directors has approved the posting for 30 days of three prospective new members. Please have a look at their applications, which are on the cork board next to the calendar. They will be voted on at the next Board Meeting on August 15. Contact a bridge or board member if you have any comments.

Membership Status Change

Has your membership status changed? Were you an interim member who has now bought a boat? Have you sold your boat and do not plan to get another? Do you have questions regarding your membership status? If so, you will need to fill out a membership status change form (See below example) and submit it to the Board & Bridge. Please contact me and I will send or e-mail you a form. There will be forms available at the club as well. Thanks.

Why is Leigh Bishop so proud?

Answer to last month's mystery picture- This picture was taken in May 2009 at Dana Point.

Health and Welfare Report

No news for this month except for Tom Sivula's message.

Please continue to contact me, Jan Hayden, at 562-276-8320 to report any health and welfare events of our membership.

FOR SALE/SERVICES:

Do you have something someone else wants?
How about a dinghy with an extra hole in it.

How about a big inverter that sends smoke signals.

How about a service like yacht painting or an organization that accepts charitable donations?

Send me a file and I'll post it in the newsletter. Who knows you might get lucky.

Safety Chairman's Message

I have VSC safety decals and would be happy to give any club member their vessel safety check. It's FREE!

Thanks,

Politically Incorrect:

I walked past a black kid sitting at a bus stop as I went into the bank. When I came out, he looked at me and said 'Any Change?' I said, 'Nope, you're still black'.

Snow in the forecast and the TV weather gal said she was expecting 8 inches tonight. I thought to myself, 'fat chance', with a face like that!

Years ago it was suggested that an apple a day kept the doctor away. But since all the doctors are now Muslim, I've found that a bacon sandwich works best!
